

HIBERNIAN SOCIETY, for maintaining, educating, and apprenticing the Children and Orphans of SOLDIERS.

This Undertaking, like most others, had but a small Beginning, but now bids fair, not only to be an Honor to this Kingdom, but to Humanity in General. The Governors have been enabled, by the Bounty of the Publick, to extend this Charity to 100 Boys, and 40 Girls, besides having apprenticed 3 Boys, and 16 Girls. The Wisdom of Parliament approved of the Institution and have granted 7000*l.* towards building an Hospital, which is now nearly finished in the Phoenix Park, on Part of 3 Acres granted by His Majesty's Letter Patent. To the Goodness of Parliament, and the Bounty of Individuals, the Governors acknowledge likewise, with great Gratitude, the Liberality of the Officers and Soldiers of Part of the Army, by their generous Subscription one Day's Subsistence.

The Care of the Children as to their Morals and Industry, and the Attention to the Culture of the *Protestant Religion*, by which only *Civil Liberty* can be supported, persuades the Governors, that this useful Charity will, in Time, become a National Concern. Until that happy Period arrives, they trust in the Humanity and Tenderness of all their Fellow Subjects, for a Support, as really is the Common Cause of all. — Subscriptions and Benefactions are received by Wm and John Chaigneau, Esqs; in *Wm-st.* Treasurer; by M^r Sam. Burrowes, *Arran-Quay*, Secretary; and by any of the Governors.

Physician to the House, Dr. James Span, *Grafton-st.* Consulting Surgeon Mr. Archibald Richardson, *Stafford-st.* Attending Surgeon, Mr. Francis Forde, *Suffolk-st.*

THE HIBERNIAN MARINE NURSERY, has been lately instituted here to succour the distressed ORPHANS & CHILDREN of those SEA MEN who have either died or are worn out in HIS MAJESTY'S FLEET, in the MERCHANTS SERVICE.

FRANCIS, EARL OF HERTFORD, the President, gave 100*l.* which with some casual Benefactions and Annual Subscriptions, has enabled the Governors to take a House at Ring's-End, the fitting up of which, and building an Infirmary, have been very expensive.

Sixty Boys are already received into the House, where they are clothed, supported, & instructed for the Sea Service: And the Number will be increased in Proportion to the Means which the Public Humanity shall supply to so useful and comprehensive a Charity.

The Governors have not, however, any Doubt of an Institution being effectually supported, which, abstracted from the Consideration of its Humanity, may become, in Time, of the utmost Consequence to Society; and that those Children will be considered as well the Objects of political as compassionate Attention; the natural Fruits of this Charity being a Succession of stout, vigorous young Men, ready, when called upon, to fight for their King, Country, & generous Patrons, and to face the Dangers of the Sea & Climate, in the Service of the Merchant, that very material & honorable Member of the Community.

Benefactions & Subscriptions will be received by David La Touche, Jun. Esq. Treasurer, by Luke Mercer, Wm Lyndon, & David Burleigh, Esqs; Secretaries or by any other Govr. printed particularly in the State at large of this Charity

THE CHARITABLE LOAN in the City of **DUBLIN**, was instituted in 1757, and was chiefly supported by an annual Musical Entertainment, performed by Ladies and Gentlemen of Distinction, until 1765, and did increase by Donations and Bequests of distinguished Personages of Fortune; particularly 100*l.* given by his Grace the **DUKE of NORTHUMBERLAND**, when **LORD LIEUTENANT of IRELAND**. This Fund is at present above 2900*l.* which is in the Hands of poor industrious Trades-folk, and is a material Support to Numbers.—In this capital Stock, is included some doubtful Debts,

Debts, which have yearly happened by Deaths, and Failures in the Securities, notwithstanding the utmost Care and Attention of the Managers, and yet is less than could well be imagined, in a Scheme so general, so diffused, and operating wholly amongst the most indigent People.

With this Fund, which did but gradually increase from so small a Beginning as 80*l.* the Managers have already relieved 5802 Families, to whom they lent 26243*l.* 2*s.* 6*d.* free from any Interest or Charge whatever, and in Sums proportioned to their several Necessities.

The circulating Cash at present is but small in Proportion to the many Applications making by deserving poor People in Trade, who daily seek Relief from this Loan.

The Managers meet every Friday at the Music-Hall, and lend the Poor 5*l.* English, and no less than 3*l.* INTEREST FREE, payable weekly, after the Rate of 6*d.* per *l.* They personally inspect the Condition and Character of Persons to be relieved, and Sufficiency of their two Securities. The weekly Receipts are immediately lent out to keep the Fund constantly circulating. And a Subscription is opened to lend Sums of 10*l.* Eng. to such Persons, to whom the smaller Sums would be insufficient. But This Fund is as yet but small.

Benefactions and Subscriptions are received at all the Banks, or by any of the Managers, *viz.*

NOTED PLACES in IRELAND, referring to their POST TOWNS: Collected either at the Post-Office, or by Information from Gentlemen and Dealers. Thus, Ballihays is not among the Post-Towns; but here it refers to Cavan: So I must direct, *To Ballibays near Cavan.*

This Alphabet generally serves to find (nearly) the Distance of any Place in it from Dublin; Thus, in the Post-Towns, Cavan is 52 miles from Dublin, (and the Road to Cavan is set down in the Column E of the Roads) therefore Ballihays is but a few Miles more or less than Cavan, its Post-town; And to of any other. A CAUTION.

IN computing Interest of Money, due in England or Ireland, between 31 Dec. 1751, and 25 March, 1752, exclusive of these 2 Days; Observe, that the Year 1751, had no Month of January, no Month of February, nor had it the first 24 Days of March. For that Year ended on 31 Dec. and not (as former Years did end) on 24 March. So there was only One Year between 1 Janu. 1750, and 1 Janu. 1752; or between 2 Janu. 1750, and 2 Janu. 1752; and so on, every Day, till last of all, there was only One Year between 24 March. 1750, & 24 Mar. 1752. But in Scotland, their Year always began 1 January.

Observe also, that Sept. in 1752, had none of the following Days, in England, Scotland, or Ireland, viz. Sept. 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, or 13.
